RCMP UPDATE

During the months of November and December 2010, Kananaskis RCMP received complaints of thefts from motor vehicles at parking lots of local trail heads as well as a Valley business. One male suspect has been identified to date. Kananaskis RCMP are working with the Calgary Police Service in this matter and charges against the male are pending.

On 2011/02/17, Kananaskis RCMP received complaints of thefts from motor vehicles from the Nakiska Ski Hill. Three vehicles were broken into with a cell phone reported taken from one vehicle and a credit card from a second vehicle. RCMP Investigators have obtained "security surveillance" footage from two Calgary businesses where a male used the stolen credit card. Investigational avenues are being pursued to identify the subject.

Anyone with information on the above is asked to contact the Kananaskis RCMP at (403) 591-7708 or CrimeStoppers at 1-800-222-TIPS. RCMP remind the public the importance of reporting all thefts or property damage to their local Detachment. This allows members to be aware of areas of concern and assists in prioritizing areas to be patrolled.

Kananaskis RCMP are seeking community and business representatives to attend the bi-monthly Community Advisory Committee meetings. These meetings, which are chaired by the RCMP, are attended by the RCMP, Kananaskis Emergency Services, and the Kananaskis Conservation Officers. These agencies provide reports on their respective roles during the last reporting period. Other community partners in attendance provide updates on group(s) they represent as well as have the opportunity to speak with the attending agencies to address any questions or concerns they may have. During the next few weeks, the RCMP will be contacting local businesses and organizations in an attempt to identify representatives for the Advisory meetings. The next meeting will be held May 19, 2011 at 1:00 PM in the Charlie Biel Room, behind the post office.
